News Release
Monday, January 18, 2010

Moody National Bank has established an account to help donors support Haiti earthquake relief efforts by the American Red Cross.

The public can make a donation at Moody National Bank's East Pearland office at 1504 Broadway, the West Pearland office at 2940 Broadway Bend Dr. or any Moody National Bank office in Brazoria, Fort Bend, Galveston, Harris and Travis Counties.

A series of deadly earthquakes devastated Haiti Tuesday, killing thousands and leaving many more homeless and without water, food or electricity. The American Red Cross has made available relief supplies such as blankets, kitchen sets and water containers to meet the immediate needs of up to 5,000 families, and has committed \$1,000,000 to meet emergency needs.

All donations received will be transmitted to the American Red Cross International Response Fund, which will provide immediate relief and long-term support through supplies, technical assistance and other support.
